EASTVIEW ARCHITECTURAL APPLICATION
For Exterior Improvements to Eastview Homes

The undersigned has read and agrees to comply with all applicable provisions of the governing documents for Eastview property including, but not limited to, the CC&Rs, Bylaws, California Civil Code, and City and State codes and ordinances. The applicant agrees to comply fully with all conditions of ARC and provisions by their Association Board. Plans and specifications showing the nature, kind, shape, color, size, and materials to be used – as well as location of any proposed improvements, alterations, or landscaping – shall be submitted first to ARC prior to review by an Association Board. Any work that deviates from the application will not be approved by ARC.

SUBMITTAL REQUIREMENTS: All applications must first be submitted to ARC for review.

Please include the following information with your application:

Exterior painting: Applicant must use approved Eastview colors. Include paint sample or color #.

Metal sectional garage doors w/windows: Stockton Colonial windows with clear glass are permitted.

Window replacement or changes: Provide name of manufacturer, style, and color (only dark brown or bronze).

Patio Cover: Include drawings showing placement, type of materials, and color. Permits are the responsibility of the owner. Solid Patio covers require additional conditions (see Patio Cover section)

Landscaping: For exclusive use areas only. A 3-foot easement from neighbors' homes exists. Original drainage patterns must not be disturbed without an acceptable alternate drainage pattern, certified by an engineer and approved by the applicable HOA Board. ARC does not assume any responsibility for determining the appropriateness of drainage patterns.

Solar panels are to be black panels with frames on black backing and require ARC approval

Satellite installation requires ARC approval

No portable outhouse shall be placed on common or exclusive use areas during construction.
