Eastview RB Community Center, 17520 Drayton Hall Way, San Diego, CA 92128

**Swimming Pool Guidelines:**

- Pool reservations are required and must be made by phone. A maximum of 3 reservations can be made per week per household.
- No guests allowed at this time.
- A maximum of three (3) lap swimmers and one (1) household at one given time OR a max of three (3) households at one given time. Also, two (2) sunbathing stations will be available, with no pool usage.
- Pool use is limited to 45-minute increments, which includes time spent preparing to swim and shower time.
- Three (3) marked lanes will be for lap swimming only, with a maximum of three people at a time. There is no sharing of lanes.
- A chair will be placed in front of each marked lap lane on the pool deck at the head of the lap lanes. Use of the chairs is limited to placement of personal items while in the pool.
- Face coverings are not required when engaged in water physical activity or when at the assigned section for your household.
- Face coverings are required when entering and exiting the facility, walking to and from the restrooms and when interacting with staff.
- ONLY one (1) shower will available at any given time to comply with social distancing requirements.
- The spa is not currently available (County of San Diego requirement) and will be locked.
- The two (2) outside restrooms ONLY will be open for use. Users will need to ask the pool monitor to open the restroom when needed, so the restrooms can be wiped down after every use.
- The Community Center's employees will monitor the pool area to enforce social distancing. Staff will disinfect the pool handrails, patio furniture and showers once per hour during hours the facility is open.
- Users must not to leave their assigned pool section or attempt to socialize with others not from their household. Social distancing of at least six feet inside the pool and on the pool deck is required.
- Pool furniture is distanced at least six feet apart. Do not move the pool furniture from its designated spot.
- The drinking fountain is not available and will remain closed.
- All swimmers should leave the facility immediately after swimming so staff can disinfect all touched surfaces and prepare for the next set of reservations.
- Members who do not comply will be asked to leave and could be subject to losing reservation privileges and/or other enforcement action until further notice.
