**DISCUSSION:**

App. #2904 was mistakenly addressed to Patio I; the home is located in Duplex. Consequently, the owner installed the wrong color garage door. The committee has denied permission to leave the door painted Almond white. The Duplex Association's own rules mandate the color must be "Dark Brown" as outlined in the *Eastview Directory & Rules*. The Duplex Board voted to leave door white; however, ARC denied the request. The owner will be notified to replace the door or paint the door dark brown.

The owner at 18109 Chretien Ct. replaced his roof without an ARC request/approval and with an unapproved roof tile. The owner will be notified to replace the roof with the approved tile listed the *Eastview Directory & Rules, Section "M"*.

**The meeting was adjourned at 4:50 pm**
