COMMITTEE REPORTS:

A. Landscape – Ron Filson

- **Walk Through/Punch List Items** – The punch list was reviewed. All turf areas were aerated. All bushes are being trimmed. They have almost completed the slope replant along Rosedown. They will be patching small dead grass areas with seed and cover. They will do the following during the winter months: root control of Pear trees along Devereux and assess the dead turf areas for Spring renovation projects.
- **Tree Trimming Bids** – There are 135 trees to be trimmed on the slopes and in the park areas. We have a bid of \$17,500 from Union Tree. Discussion. A motion was duly made by Ron Filson and seconded by Cilla Kersey to approve the bid from Union Tree for \$17,500. Motion carried. The work will start on December 7 and take about a week. There is a Palm tree on the golf course that is damaging our drainage culvert. Union Tree will cut it down for \$700. We have talked with the golf course and they will not remove this tree. However, they will clean up the debris from the cutting of that tree if we do the work. A motion was duly made by Ron Filson and seconded by Greg Kritzer to approve the removal of this tree for \$700. Motion carried. The golf course will be trimming a California Pepper tree that is over-hanging our property. There are 7 trees planted by the #3 tee that the golf course agreed to trim. We will ask the golf course to remove some of those trees. Kay Agriesti asked about 2 Pine trees below Rosedown that may need to be addressed. The Board will review these trees.
- **Landscape Contract** - The landscape contract comes up on 12/31/15. They are requesting a 1% increase. A motion was duly made by Ron Filson and seconded by Greg Kritzer to approve the 2016 contract with Pro-Scape for \$19,145 per month. Motion carried.
- **Status of Water Conservation Measures** – Moisture Manager was applied to all the lawns. The MP Rotator heads continue to be installed. Should be done by the end of next week.

Committee Reports (continued)

- **Bid for Relandscaping Work Along Devereux** – Estimate of \$2,500 to relandscape this area. Discussion on the plants being recommended. The Board would like a drawing and to see samples of the plant material. Pro-Scape will bring this to the next meeting.
- **Landscape Requests from Owners:** None.
- We have had a lot of broken valves and backflow leaks. There have also been a lot of problems with tree roots damaging water lines to homes. Next month we will discuss removing some trees where the roots are damaging the plumbing.
- **Water Report** – The water report was reviewed. We are way under budget on water use.

B. Finance – Cathy Hughes

- **Financial Statement (10/31/15)** – The financial statement was reviewed and we are under budget by \$45,645. This is due to low water usage.
- **Delinquent Accounts** – There are no accounts that are more than 60 days past due.
- **Approve Audit Proposal** – We have a proposal from the CPA firm of AM Owens & Associates to do the annual audit and tax work for a fee of \$1,440. Last year we paid \$1,400. Discussion. C. Home Inspections – Kay Agriesti

- **2015 Home Inspections** – A total of 14 follow up letters were sent to owners who had not done the requested work or where additional problems were found. Six of those owners were given until today's meeting to comply. Two have not complied and hearing notices will be mailed out to these owners. One owner will be asked to repaint an entire wall.

D. Newsletter – Cilla Kersey reported that the newsletter was sent out last month with the budget. The Board complimented her on the newsletter.

E. Welcoming – Cilla Kersey reported that she has welcomed one new owner.

F. Hardscape – Greg Kritzer

- **Painting Rusting Electrical Boxes** – We cancelled having the Boy Scouts do this work because it was too extensive. The rusting electrical boxes may need to be changed out next year and bids will be obtained.

- The City has said they will do repairs to most of the streets by March. The remaining streets will be done in the next phase.
- There is still a problem with the sidewalk on Tretagnier that the City has not addressed.

G. President's Report – Kay Agriesti

- An owner attempted to call Pro-Scape for a water emergency and could not reach anyone.

He is requesting more time. The Board will give him until 12/10/15. The Board discussed the letter from the renter at 18137 Chretien. Since the owner is the one obligated to the Association, the Board cannot deal with the tenant unless the owner gives authorization. A follow up letter will be sent to the owner, with a copy to the tenant, giving them until 12/10/15 to comply.
