PLUMBING REPAIR AUTHORIZATION FORM

As the owner of the property located at _____, I do hereby authorize the Eastview Patio Homes II Board of Directors (Association) to inspect the plumbing/sewer problem that I am experiencing and called about to determine if the Association has somehow caused damage to my pipes (i.e. - tree roots, stakes etc. from Common Area plantings). Once the problem has been located and uncovered, I will be notified whether or not the Association is at fault and will have the opportunity to view the plumbing problem. If the problem was caused by the Association, then the Association will be responsible for all costs to make repairs. However, if the problem is not the fault of the Association, I understand that I will have to pay for all costs incurred in locating the problem and making the necessary repairs.
